ATTN OF: EM-453 (J. Ciocco, 427-1759)

SUBJECT: Approval of Operable Unit 16 Corrective Action Decision/Record of Decision

TO: M. Silverman, Rocky Flats Field Office

The Office of Southwestern Area Programs, EM-45, has reviewed the Corrective Action Decision/Record of Decision Document for Operable Unit (OU) 16, August 1994. The review was conducted in accordance with the EM-1, May 26, 1994, memorandum guidance for approval of Environmental Restoration documents. I approve this document for your signature upon inclusion of the Statutory Determinations (per OSWER Directive 9355.3-02) paragraph in the Declaration page. The paragraph should include a statement that the Five-Year Site Review is not required.

We commend your efforts to reach the final remedial decision at this OU. Please contact me on 301-427-1787, or Autar Rampertaap on 301-427-1805 if you have any questions regarding these comments.
